

Learn More About The General Federation of Women's Clubs

The motto of the General Federation of Women's Clubs (GFWC) is “**Unity in Diversity.**” We welcome everyone who embodies a volunteer spirit to join our organization! Explore our exhibit to learn about GFWC's extraordinary work and accomplishments. For over a century, our legacy of passion, dedication, and meaningful service has been transforming communities worldwide, including right here in the Tampa area.

GFWC one of the longest-standing women's volunteer organizations, aims to create global communities where individuals come together in diversity to commit their efforts to transforming lives. GFWC values participation from people of all backgrounds and is dedicated to nurturing an inclusive and equitable environment where community members can flourish. We are a friendly, non-denominational, and non-partisan organization. The GFWC Woman's Club of New Tampa Inc. (GFWC WCNT) proudly stands among over 200 clubs throughout Florida. In 2024, we received the Lois B. Perkins Award for **Most Outstanding Chapter** in recognition of our volunteer spirit.

Our club convenes at 1 PM on the third Wednesday of each month at the Arbor Greene Community Center. For more information, please reach out to our Co-Vice Presidents of Membership, Gloria Skradski and Janice Hutchinson, at [**womansclubnewtampa@gmail.com**](mailto:womansclubnewtampa@gmail.com).

As members of the General Federation of Women's Clubs, we share the GFWC Florida statewide Mission. We are committed to enhancing communities through volunteer service and providing opportunities that empower women. Through our volunteer efforts, we support and engage in civic, educational, and charitable activities, all aimed at community improvement. To achieve our objectives, GFWC WCNT members participate in community service programs mandated by the General Federation, which includes all 60,000 members globally, as well as initiatives crafted by our local clubs.

For over 130 years, Florida Clubwomen and 135 Clubwomen internationally have been advocates, continuing GFWC's proud legacy of advocacy. Our voices resonate in national policy discussions, as we engage in a grassroots network of advocates to support essential legislation that aligns with the Federation's mission. Consequently, our advocacy efforts are recognized on Capitol Hill and in Tallahassee.

Our members are a warm and welcoming community of your friends, neighbors, and colleagues. We invite you to join us at a general meeting to discover more about the positive influence we have on our community and ourselves through sisterhood.
